¹The Annual Custodial Fee is assessed on each account which holds a position, and for which there has been no trading activity during the prior calendar year.

²All cash management accounts will be subject to check reorder & cash advance fees ranging from \$0-\$45 depending on the account type & delivery options.

Trading fees are included in WRAP Fee programs, see financial professional for more information. Fees may be higher than other providers.

Securities traded on a foreign exchange will be subject to fees in addition to the above commission rates, depending on the exchange.

Customized ad-hoc reports may incur additional charges. See financial professional for more information.

Cash Management Accounts are provided by Corestone, consolidates daily activities, including check writing. See financial professional for more details.

Brokerage commission schedules are established by SWBC Investment Services. Pershing, LLC charges trading and account service fees, SWBC as introducing broker-dealer adds a markup on commission-based accounts which creates a conflict of interest for SWBC since SWBC will have an incentive to continue using Pershing, LLC to receive these fees. Most current version of the Platform Fees and Disclosures is available at www.swbc.com/disclosures/investment-services-disclosures and is subject to change.

Accounts may be subject to a cash minimum holding due to standard servicing fees applicable to brokerage accounts
